

Snowflake Slime

Day 2: Slime

Materials Needed:

- ½ cup Sta-Flo liquid starch
- ½ cup warm water
- ½ cup white Elmer's glue
- snowflake scatter

Pre-Activity Prep:

- Mix ½ cup of glue with ½ cup of warm water. Add in the snowflake scatter.
- Slowly stir in the liquid starch until the slime forms.

Invitation to Play:

- Set out the slime and let your child explore and play with the slime!
