NUMBERS

0 1 2 3 4 5

6 7 8 9 10

11 12 13 14 15

16 17 18 19

20

Around and
around
And around
we go...
When we get
home we have
a zero.

Number 1 is like a stick.
A straight line that is
very quick.

Around and back
on the railroad track.
Two, two,
Two, two!

Around a tree,
Around a tree.
That's the way to
make a three!

Down and over,
Down once more.
That's the way
to make a four!

**Straight line down,
Then around.**

Hat on top

And five's a clown!

Make a curve.
Then make a loop.
There are no tricks
to make a six!

Across the sky
And down from
heaven. That's the
way to make a seven!

Make an S
And do not wait.
Go back up
And that's an eight!

A loop and a line,
That makes a nine!

Straight line down,
Then around
with a grin.
That's the way
To make a ten!

Write a one and
then another.
This one looks just
like his brother.

12 is simply a one and a two. Write the numbers and say choo-choo!

For 13 write a one
and a three. Once
you are done,
shout "Yippee"!

To make 14, write
a one and a four.
Then make a
roar like a
dinosaur!

Number 15 is a one and a five. Write them out, then do the jive!

Make a one and
then a six! Writing
16 is an easy trick!

17 is easy to trace.
A one and a
seven, now make
a face!

18 is a number that looks just great. Make a one and then an eight.

19 makes me feel
just fine. All you
need is a one and
a nine.

19 makes me feel
just fine. All you
need is a one and
a nine.

The number 20 is a two and a zero.

When you're all done, stand up like a hero!
