Noah's Ark

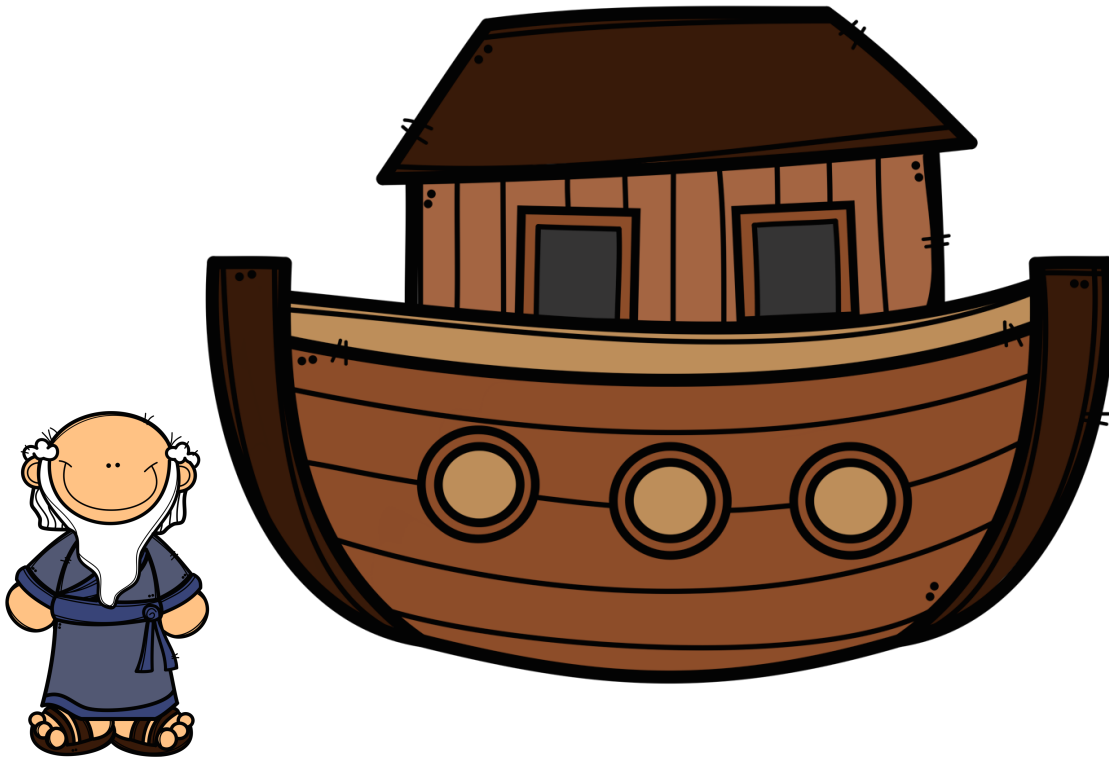

Genesis 6-9

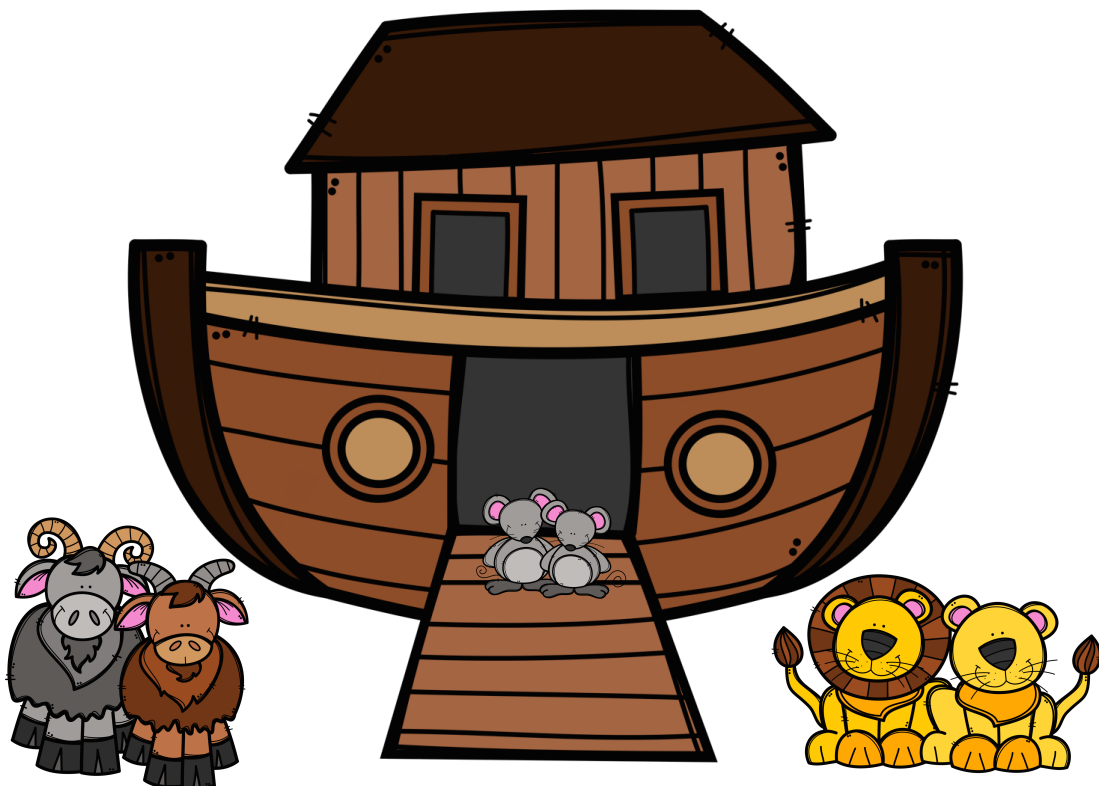

© 2022 teachingmama.org

Noah was a good man and he loved God. God told Noah there would be a flood and He told him to build an ark.

Noah started to build the ark. He tried to warn his neighbors about the flood, but they didn't listen to him.

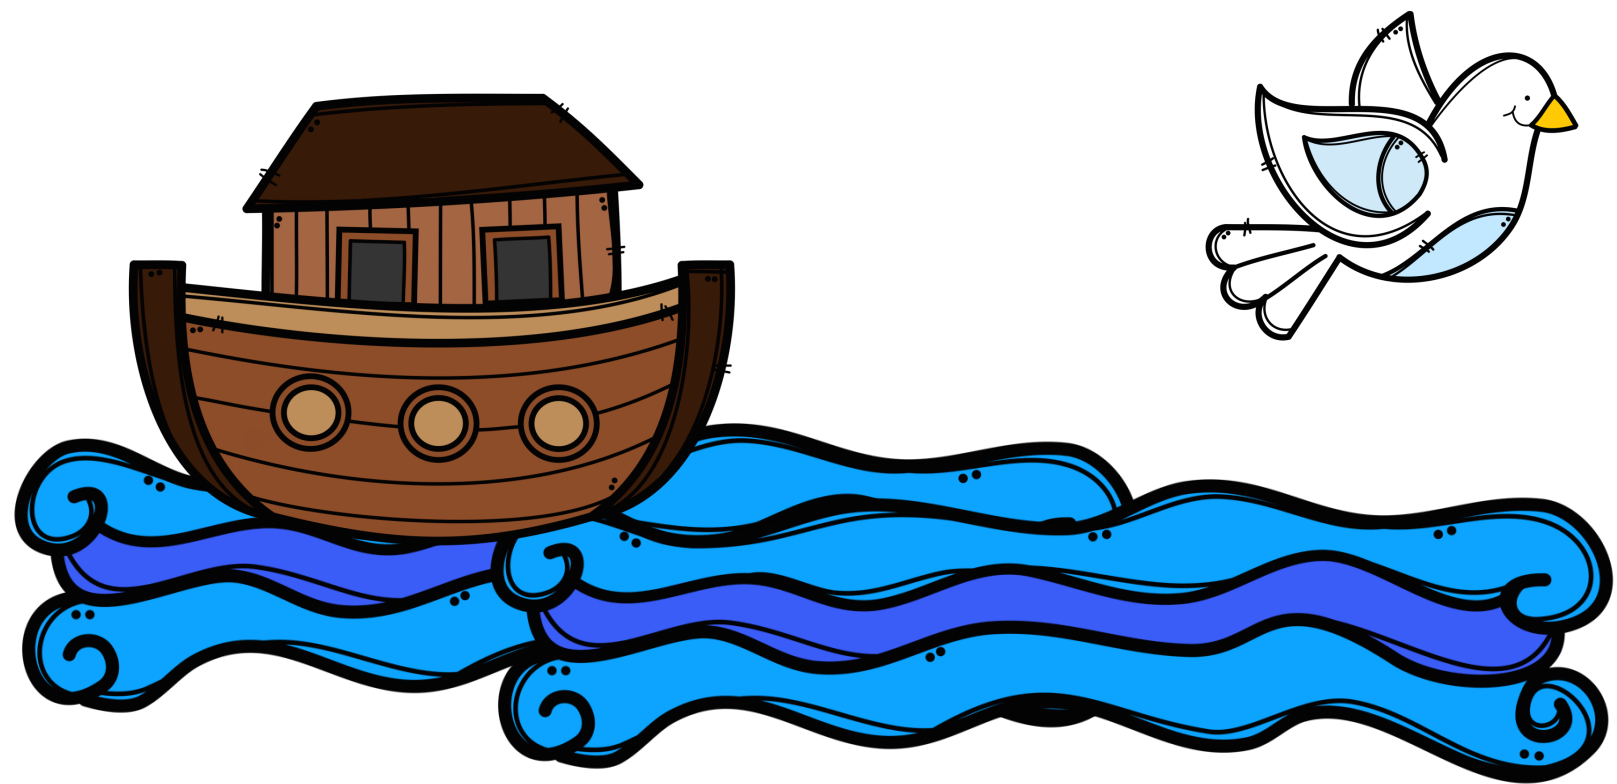

After the ark was built, Noah put his family and two of every animal inside of the ark.

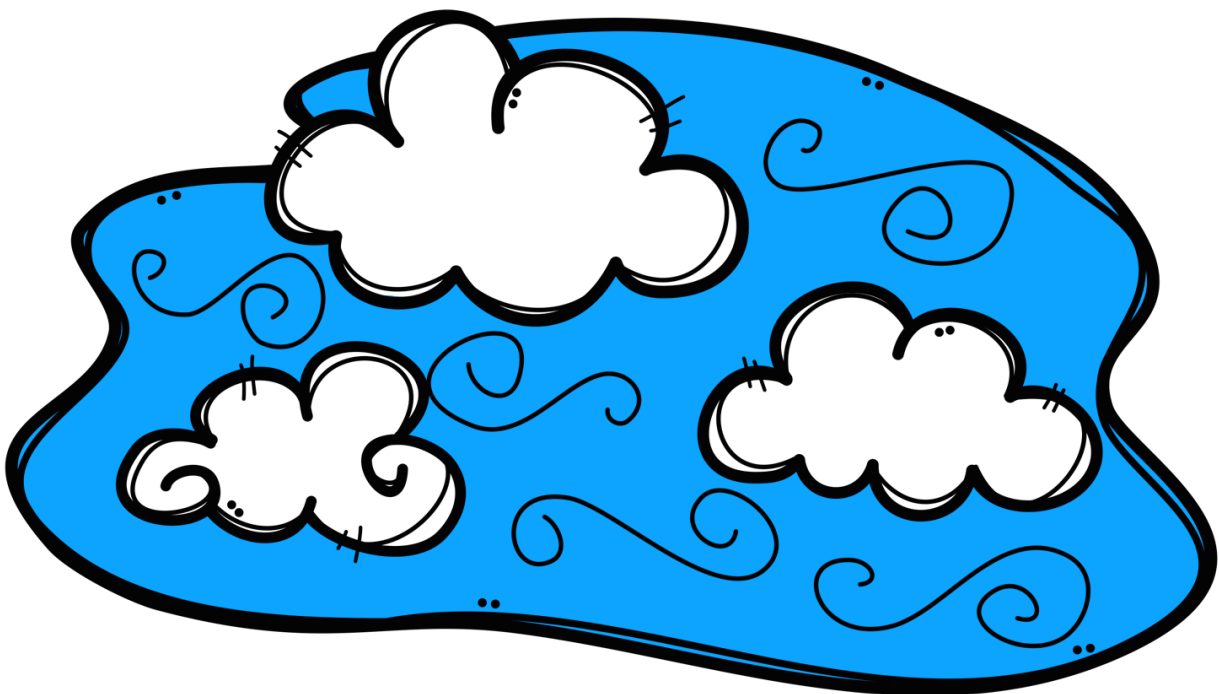

After his family and all the animals were on the ark,
God sealed up the ark door.
Then it started to rain.

The rain fell for 40 days and 40 nights! Water covered the
whole earth. Noah and his family were safe on the ark.

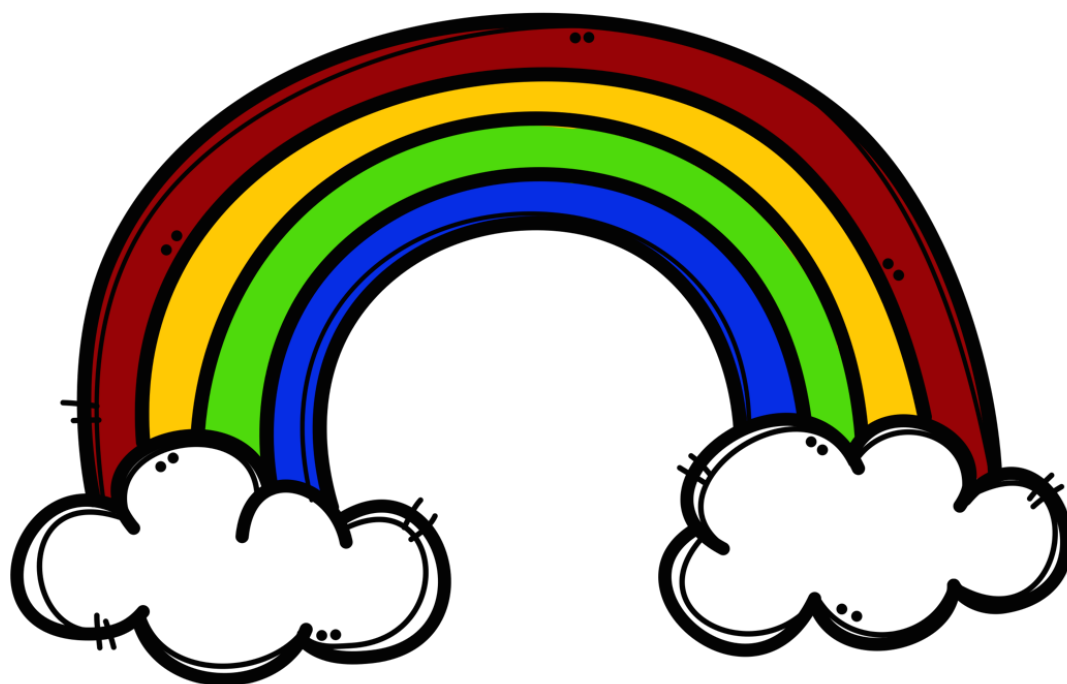

After the rain stopped, Noah sent a dove to find land. It flew around, but never found any so it came back.

One week later, Noah sent the dove again. This time, the dove came back with a leaf. The flood was now over!

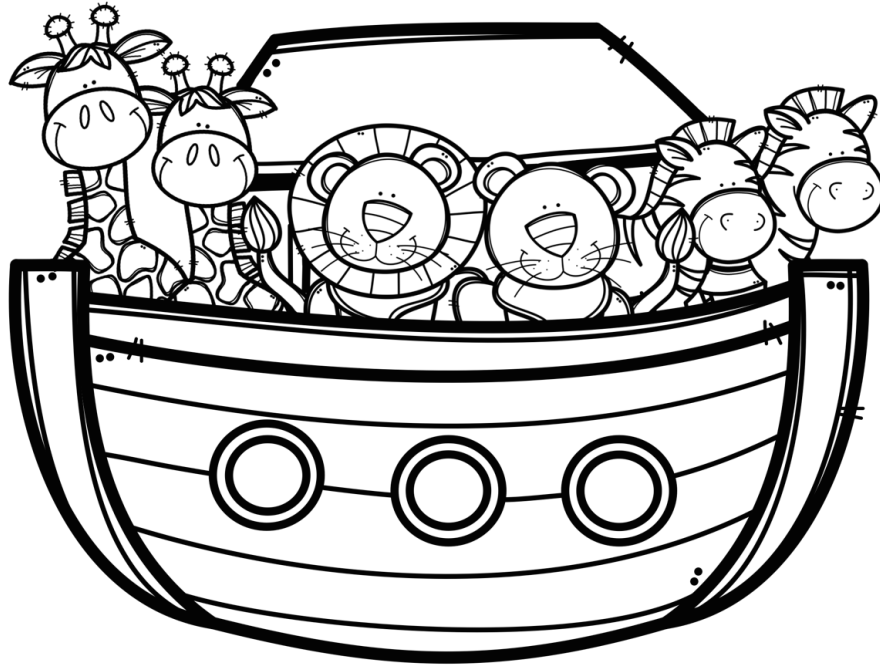

The ark came to rest on the top of a mountain.
Noah's family and all the animals came out of the ark.

Noah and his family praised God. God put a rainbow in the sky and promised to never flood the whole earth again.
